Beehive P2P Limited is regulated by the DFSA. T&C's apply. Investment through Beehive involves financing to small and medium sized businesses, so your investments can go down as well as up.

Beehive is a multi-award winning peer to peer (P2P) lending platform that uses innovative technology to connect global investors with SMEs, without the use of a traditional intermediary, such as a bank.

Invoice Finance

Beehive Invoice Finance refers to investors providing cash advances against a company's outstanding invoices.

Invoice Finance is a great way to make short term investments **(30-150 days)** with attractive returns. Investors can build a diversified portfolio by lending against outstanding invoices from credible customers and choosing the amount they wish to finance.

Who is it for?

To become an Invoice Finance investor, you need to be registered with Beehive and have a minimum of AED10,000 in your account.

The businesses you can invest in with Invoice Finance have been rigorously credit assessed and must meet the following minimum requirements:

Short term lending

Attractive returns

High liquidity

Diversify your portfolio

You choose the term

New asset class
